## CNC Machinist

Catalog Year: 2015

Academic agreements are used to identify comparable courses or pathways between educational institutions. This allows students to receive credit at a receiving institution without having to duplicate courses recently completed and to continue their education between schools. In order to receive credit for course work included in these agreements, students must provide a transcript, report card or State Skill Certification to the DATC instructor with a grade "B" or better in the designate course(s). Any additional requirements are stated below.
