Welding Technology

Catalog Year: 2015

Academic agreements are used to identify comparable courses or pathways between educational institutions. This allows students to receive credit at a receiving institution without having to duplicate courses recently completed and to continue their education between schools. In order to receive credit for course work included in these agreements, students must provide a transcript to the receiving institution with a grade "B" or better in the designate course(s). Any additional requirements are stated below.

Weber State University – Manufacturing Engineering Technology (Welding Emphasis)			
<i>WSU Course</i>	<i>WSU Title</i>	<i>DATC Course</i>	<i>DATC Title</i>
WELD 1320	Gas Metal Arc Welding	MFET 2670	GMA, FCA, and GTA Welding
WELD 1335	Gas Metal Arc Welding Lab I	MFET 2670L	GMA, FCA, and GTA Welding Lab
WELD 1515	Flux-Cored Arc Welding		
WELD 1520	Flux-Cored Arc Welding Lab I		
WELD 1630	Gas Tungsten Arc Welding		
WELD 1635	Mild Steel Welding Lab		
WELD 1645	Stainless Steel Welding Lab		
WELD 1655	Aluminum Welding Lab		
Weber State University – Associate of Applied Science in General Technology			
<i>WSU Requirements</i>		<i>DATC Program Requirements</i>	
Students must complete the following requirements: <ul style="list-style-type: none"> • Students with an approved 900 hour minimum DATC Certificate of Program Completion will receive 30 WSU elective credit hours upon completion of all WSU graduation requirements for the AAS in General Technology. • Meet regular WSU admission requirements. • Overall GPA of 2.0 or "C" or better for WSU course work. • A minimum of 63.5 credit hours (includes 30 transfer elective credit hours). • Approval of WSU's College of Applied Science and Technology. NOTE: Individual articulated courses between WSU and DATC will not count for course requirements if included in the 900 hour certificate.		Students must complete the DATC Certificate of Program Completion within five years of beginning the WSU AAS in General Technology Program.	
LDS Business College – Associate of Applied Science in Applied Technology			
<i>LDS Business College Requirements</i>		<i>DATC Program Requirements</i>	
In addition to DATC course work, students must complete the following LDS Business College requirements to earn a minimum of 61 credit hours: <ul style="list-style-type: none"> • Religion Course (4 credits) • Common Core (12 credits) • Program Core (15+ credits) • DATC Core (up to 30 credits) 		Maximum of 30 credit hours (900 hours) accepted from DATC Certificate of Program Completion. If DATC course work does not equal at least 30 credit hours then additional Program Core Credit Hours are required from the list of Program Core Options as approved by the LDS Business College.
